THE COMMANDER'S CORNER

It is hard to believe that my time is almost gone as your County Commander. I want to thank all of you, (and you know who you are), who made my year successful.

With your help, you proved that when we work together, we can accomplish anything.

I'm asking you to please help and support your new County Commander, **Charles R. Magnus Sr.**, so that he can complete his goals for the upcoming year.

Until we meet again, I want to wish you all good health, and many good times!

Have a Great Summer!!!
Raymond J. Collins,
Allegheny County Commander

LOGISTICS OF THE VETERAN'S DAY PARADE

You may wonder why you have to send in your parade form before September. Maybe this will help answer that question. The American Legion is just one of four divisions in the Veteran's Day Parade.

When you add the other three divisions, plus all the school bands etc., there is a lot of logistics that have to be done. That takes a lot of time and planning to get done by the Federation of War Veteran's Societies, Inc.

The form you fill out and send to Allegheny

County then gets forwarded to the Federation.

We want your Post, Unit or Squad to be recognized and to be able to announce your officer's names, as you pass the reviewing stand.

Please fill out and return your parade form to the County as soon as you can before the deadline.

Thank You,
William White, Commander
Federation of War Veteran's Societies, Inc.

SUPPORT THE COUNTY WEB SITE FOR THE YEAR 2010-2011

We first want to thank all of those who sent in donations last year to support the Allegheny County's web site.

However, the web site will expire in October 2010 unless we renew it for another year.

Donations to support the web site are voluntary, not mandatory, and the amount of donations range between \$10 and \$40, (\$20 to \$30 is what most Posts donate).

The web site provides information about every Post in Allegheny County, including Posts' Newsletters, Posts' Bingos and Hall Rentals.

Of course, District and County information is there also. But there is more. County forms, links to obtain your military records such as your DD214, bulletins from the V.A. and Veterans Affairs are there, plus notices of special events for veterans and

their families.

Information about the American Legion and it's programs, including how to get money for college and information about veteran's benefits are there too!

If you are a veteran, active duty, or family member of military (past or present), this web site will be a valuable resource to you and your community.

Mail donations to: Website, 365 Antenor Ave, Pittsburgh PA 15210. **Make Checks payable to:** Allegheny County Committee.

Please help us keep this web site in operation!

Thank you for your support!
